The screenshot shows the Mercury Tours website. At the top is a dark navigation bar with links: "Finance Project", "Agile Project", "Bank Project", "S", "Payment Gateway Project", "New Tours", and "SEO". Below this is a banner for "one cool summer ARUBA" with a beach scene. Under the banner is an orange bar with links: "SIGN ON", "REGISTER", "SUPPORT", and "CONTACT". The "REGISTER" link is highlighted with a red box. Below the banner is a section with a date "Jul 6, 201" and a "Find A Flight" button. To the left of the "Find A Flight" section is a small image of a beach. Below the image is the text "nded by coral reefs,". To the right of the image is the text "Registered users can **sign-in here** to find the lowest fare on participating airlines." Below this text are two input fields: "User Name:" and "Password:".

STEP 2

Type "UsrTst"

This island is surrounded by coral reefs, offers guaranteed sunshine and is blessed with beautiful beaches. Luxury resorts have taken up residence along most of the beachfronts on the southern coast, but there are still undeveloped areas on the exposed northern coast, and much of the interior is inhabited by nothing more substantial than goats.
